

COSSPP Petition to add Double Major or Dual Degree

w/ 90+ Hours

Students interested in declaring a double major or dual degree in a semester in which they have 90+ earned credit hours should do the following:

1. Meet with Primary Major advisor to determine which courses are needed to complete the primary major, including any outstanding university or college level requirements.
2. Meet with anticipated Secondary Major advisor to determine which courses are needed to complete the second major (or degree).
3. Complete the Academic Plan of Study with advisors for both majors to outline all currently enrolled and remaining coursework for primary and secondary major.
4. Submit the Academic Plan of Study, as well as updated graduation checks for both majors, to the COSSPP Mapping Coordinator (cooss-admissions-mapping@fsu.edu) for final review.

Below are the factors that the College of Social Sciences and Public Policy will review when determining whether a petition to add an additional major or dual degree will be approved:

- Will you go over your excess credit threshold?
- Can you complete all requirements for the double major / dual degree in 160 or less earned hours?
- Will adding this major / degree extend a student's time to graduation and if so, by how much?

COSSPP Double Major/Dual Degree Petition Checklist:

Primary Major / Degree Graduation Check ____

Primary Major / Degree Graduation Check ____

Academic Plan of Study completed with both Major Advisors ____

Major Addition Form ____

COSSPP Double Major / Dual Degree Academic Plan of Study

Name: _____

FSU ID: _____
