### Education

---

Florida State University	2019 - 2024 (Expected)
Ph.D. Candidate, Public Administration and Policy	Tallahassee, U.S.A
<ul style="list-style-type: none"><li>Dissertation: <i>Understanding Processes and Outcomes of Collaborative Governance in the Fields of Sustainability and Smart Cities</i></li><li>Advisors: Frances Berry, Tian Tang; Committee: Eric Coleman, Daniel Fay, Hongtao Yi</li></ul>	
Korea University	2016 - 2018
M.P.A. Public Administration and Policy	Seoul, Korea
Central South University	2012 - 2016
B.A., Public Administration	Changsha, China

### Research Interests

Environmental and Energy Policy; Smart Cities; Collaborative Governance; Public Policy Process and Theory; Program Evaluation

### Teaching Interests

Public Policy Process and Theory; Public Management; American Government; State and Local Government; Environmental Policy and Politics; Climate and Energy Policy; Public Budgeting and Finance; Social Science Methodology

### Publications

---

#### JOURNAL ARTICLES

- Zheng, G.**, Yi, H., Berry, F., & Tang, T. (2024). Interlocal collaborative processes and network position: the combined effects on environmental performance. *Public Management Review*, 1-21. DOI: <https://doi.org/10.1080/14719037.2024.2309624>.
- Tang, T., **Zheng, G.**, & Li, W. (2022). Network governance and effectiveness on renewable energy integration: A comparative case study on power transmission networks in the United States. *Chinese Public Administration Review*, 15396754221128882.

#### MANUSCRIPTS UNDER REVIEW

- Zheng, G.**, Tang, T., Gao, X., & Li, W. Mobilizing Coproduction of Energy Efficiency in Low-Income Communities: The Role of Community-Based Outreach Efforts. (Funded by FSU IOP grant and NSF's Smart & Connected Communities grant (#1737633); Revise & Resubmit, *Journal of Policy Analysis and Management*)
- Li, W., **Zheng, G.**, Tang, T., Liu, Y., & Lee, H. Reward Exploiter or Explorer? The Effects of Local Government Sustainability Performance on Citizen Evaluation (Under review, *Public Management Review*)
- Li, W., Tang, T., **Zheng, G.**, Gao, X., & Canfield, C. Passive Receptors and Active Coordinators: Reducing Administrative Burden in Energy Infrastructure Permitting. (Under review, *Journal of Public Administration Research and Theory*)

## MANUSCRIPTS IN THE PIPELINE

6. **Zheng, G.**, Public Leadership Styles and Electronic Civic Engagement: Machine Learning Analysis of Government Social Media Use. (Funded by NSF's Smart & Connected Communities grant (#1737633); To be submitted to *Journal of Public Administration Research and Theory*)
5. **Zheng, G.**, Tang, T., Lee, H., Liu, Y., & Li, W. Navigating the Algorithmic State: Unraveling Citizens' Value Preferences for AI-Driven Public Service Delivery. (Funded by NSF's Decision, Risk, and Management Sciences Program (#2315027); To be submitted to *Government Information Quarterly*)
4. Ma, S., **Zheng, G.**, & Yi, H. Network Position and Green Innovation: The Moderating Role of Inter-Governmental Competition on Local Adoption of Explorative and Exploitive Environmental Policy (To be submitted to *Public Management Review*)
3. Tang, T., **Zheng, G.**, Li, W., Liu, Y., & Lee, H. What Public Values Does Practitioner-Scholar Research Collaboration Seek to Create? Evidence from a Field Experiment. (In progress, accepted by APPAM Conference 2023)
2. Liu, Y., **Zheng, G.**, Tang, T., Lee, H., & Li, W. Trust and Two-way Coproduction: A Paired Experiment on Citizens and Policymakers (In progress, accepted by APPAM Conference 2023)
1. He, J., **Zheng, G.**, & Liu, Y. Performance Management, Corruption Control, and Democratic Support: A Global Analysis. (In progress, presented at PMRC Conference 2022)

## Grants & Contracts

---

**Co-PI**, Institute of Politics (IOP at FSU) Research Grant Nov. 2022 – June. 2023

Tang, T. (PI) & **Zheng, G.** (Co-PI). Does Targeted Community Outreach Improve Civic Engagement among Marginalized Populations? Evidence from the Tallahassee Neighborhood REACH Program. Total award \$20,000.

**PI**, FSU Undergraduate Research Engagement Materials Grant 2021, 2022, 2023

Instructed 6 undergraduate students in the Undergraduate Research Opportunity Program to conduct academic research. Total award \$1,000.

**Research Assistant**, NSF Grant Summer 2023

Gao, X. (PI), Tang, T. (Co-PI), & Nock, D. (Co-PI). Energy Efficiency and Energy Justice: Understanding Distributional Impacts of Energy Efficiency and Conservation Programs and the Underling Mechanisms (Award #2315027).

**Research Assistant**, NSF Grant Summer 2021, 2022

Shekhar, S. (PI), Co-PIs: Ramaswami, A., Merwade, V., Marshall, J., & Tang, T. S&CC-IRG Track 1: Connecting the Smart-City Paradigm with A Sustainable Urban Infrastructure Systems Framework to Advance Equity in Communities. (Award #1737633)

## Honors & Awards

---

- Summer Research Assistant Fellowship, FSU Askew School (2021, 2022, 2023): \$27,000 (in total)
- Departmental Travel Grant, FSU Askew School (2022, 2023): \$1300 (in total)
- Graduate Student Travel Grant, FSU Graduate School (2022, 2023): \$600 (in total)
- Center for Undergraduate Research Engagement Materials Grant, FSU (2021-2023): \$1,000 (in total)
- The Arnold L. & Priscilla Moss Greenfield Fellowship, FSU (2020): \$2,000
- Kim Young-Pyong Foundation Fellowship, Korea University (2018): \$5,000
- Teaching Assistant Scholarship, Korea University (2017, 2018): \$7,500 (in total)
- Foreign Students Scholarship B, Korea University (2017, 2018): \$12,000 (in total)

- Annual Scholarship for Outstanding Academic Performance, CSU (2013-2016): \$800 (in total)
- Hunan Province Summer Research Practice Grant, CSU (2014): \$200

### **Selected Conference Presentations (\* as presenter)**

---

- \* **Zheng, G.** (Nov. 2023). Public Leadership Styles and Electronic Civic Engagement: Machine Learning Analysis of Government Social Media Use. *Association of Public Policy Analysis and Management (APPAM)*, Atlanta, GA.

- \* **Zheng G.** & Zheng S. (Nov. 2018). Explaining the Innovation of Provincial Environmental Policy in China: Internal Determinants or Regional Diffusion? *Association for Public Policy Analysis and Management (APPAM)*, Washington D.C.

## Teaching Experience (U = undergraduate; G = graduate)

---

**Instructor**, Florida State University (Overall rating: 4.5/5)

*PAD 3003 Public Administration in American Society* (U, in-person) Fall 2022, 2023; Spring 2024

**Guest Instructor**, Florida State University Spring 2022, 2023

*PAD 6136 Seminar in Public Management Studies* (G, online) - Network Governance

**Teaching Assistant**, Florida State University

*PAD 5227 Managing Public Financial Resources* (G, online) Fall 2020; Spring 2021, 2022

*PAD 5700 Research Design in Public Administration* (G, online) Fall 2021, Spring 2023

*PAD 5701 Quantitative Analysis in Public Administration* (G, online) Spring 2023

*PAD 5106 Public Organizations* (G, online) Fall 2019, 2021; Spring 2020, 2021, 2022

*PAD 6707 Logics of Inquiry* (G, in-person) Fall 2020

*PAD 3013 Futures Studies in Public Administration* (U, online) Fall 2019

## Professional Service & Experience

---

Graduate Researcher, Sustainability and Governance Lab 2020 - present

Reviewer, *Public Administrative Review* 2023- present

Reviewer, *Chinese Public Administrative Review* 2021- present

Reviewer, *Urban Governance Journal* 2021- present

Student representative & News editor, Chinese Policy Scholars Group 2020 - 2023

Student, Empirical Social Science Research Summer Program, Xi'an Jiaotong University 2016

Intern, Comprehensive Planning Division, Transportation Bureau of Zhuzhou City, China 2014

## Skills

R, Stata, Qualtrics, Python, LATEX

## Current Professional Memberships

American Political Science Association

Association for Public Policy Analysis & Management

American Society for Public Administration
